Homestead entry of John Alfred Arnold.

Date of entry April 23, 1913.

I beg to call your attention to the fact that this entry is now subject to cancellation proceedings for failure to make application for patent. In view of the general winter protection please note this case for the 1st March next and then take ordinary cancellation proceedings on Form 334 on the ground of failure to apply for patent. On the expiry of 60 days from the date of your notice, if the entrant has not been heard from, an Inspector's report should be ordered.

The Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements. In case of a soldier grant it will be necessary to report on the homestead as well.

If there is some special condition existing which would render it advisable not to dispose of the land in the ordinary way, the report should contain full particulars.

When you receive the Inspector's report you should forward it at once to Head Office for consideration.

A copy of any letter or form issued by you in this case should be forwarded to Head Office in the usual way.
