Revelstoke, B. C., October 5th., 1.

Sir:-

Mr. Wenman advises me that you desire to make application for permit to cut cord wood. Herewith I beg to enclose form for this purpose. Mr. Wenman does not state the land from which you desire to cut, but it is presumed that it is from vacant Dominion Lands. If such is the case, I shall be pleased to consider the issue of a permit for any quantity up to 25 cords upon receipt of the application duly completed, together with permit fee of $1.00 and dues at the rate of 75 cents per cord on the quantity you desire to cut.

Yours obediently,

Agent, Dominion Lands.

Thomas Hewitt, Esq.,
