Revelstoke, B. C., December 11th., 7.

Sir:-

I am in receipt of the form forwarded by you, purporting to show the improvements you have made on your homestead, S. W. of Section 4, Township 29, Range 22, West of the 5th M. Upon looking this over I note that you have 12 acres broken since 1914, out of which 9 acres have been cropped to date. The Regulations call for 8 acres to be thoroughly stumped and under cultivation and an additional 8 acres cleared but not stumped and seeded down before a person is in a position to make a successful application for patent in your District. Will you therefore kindly forward me a letter setting forth therein what area has been cleared but not stumped to date, if any, in addition to the 8 acres above referred to, which I presume are free of stumps.

Yours obediently,

Agent, Dominion Lands.

Thomas J. M. Hewitt, Esq.,
