Sir,

Referring to your favour of the 31st ultimo, I beg to say that the newspaper reports, for which however I am not responsible, were not sufficiently clear regarding the opening of the Dominion Lands within the Railway Belt of British Columbia. As soon as possible, all the surveyed and otherwise available land, will be thrown open to the general public, but is proposed to deal with one district at a time and for the present, I am only dealing with the Golden District, which lies east of Illecilliwaet on the C. P. R., to the eastern boundary of the Province. As soon as the work can be conveniently handled, the other districts will be opened to the public, and those squatters whose claims are recognized will in all probability be given a prior right of entry to the lands claimed. The interested squatters will be notified from this office by letter, and the general public by advertisement in the leading local papers, as soon as the date of opening covering each locality has been fixed.
