March 21, 2026

The Golden and District Historical Society is sorry to announce that our Executive Director of six years, Brittany Newman is leaving at the end of April.

Brittany is going back to continue her education and moving forward in a new direction in the Not for Profit field.

The Board wants to thank Brittany for all she has done to improve the Museum and its community standing. You will be missed.

Thank you  
Board of Directors  
Golden and District Historical Society
